

BSCC Member Details – renewals/update

Please complete this form to provide your membership details for Bishops Stortford Canoe Club for the year ending 30 June 2024.

BSCC respects your privacy – please see the club Privacy & Data Protection Policy (www.StortfordCanoe.org.uk/document-library.html) which describes why we need this information, how we will use it, and how you can raise a complaint.

BSCC is affiliated to British Canoeing (BC). The club will share with BC limited details about those members who have not previously held a BC Membership to make them "Club Associate Members" of BC. If you would like further information about why the club is doing this, please contact the Club Secretary. If you have any questions about the continuing privacy of your personal data when it is shared with BC, please contact membership@britishcanoeing.org.uk

BSCC is powered by the members. As far as possible, everything that happens at the club relies on somebody's voluntary effort. We expect each of our members (or parents in the case of young children) to give some of their time, effort, and whatever particular skills they have, to give practical help to the club and keep the fees low.
